

AERIAL ACQUISITION

CAPABILITIES

Aerial Services Inc. captures high quality, high resolution, and accurate geospatial data used for terrain mapping, vegetation analysis, remote sensing, orthophotography, aerial enlargements, and GIS applications. For over 50 years, ASI has built upon their reputation of excellence in the geospatial industry by delivering results quickly and efficiently.

EXPERIENCE

ASI is a geospatial company that understands the importance of agility and collaboration in today's fast-paced business environment. We pride ourselves on being a nimble organization that can quickly adapt to the ever-changing needs of our clients.

ASI has a long resume of federal government projects, including work for the Department of Defense, the Department of Energy, and the Department of Agriculture. Our team of experienced professionals is dedicated to providing our federal clients with the best possible service.

Our centrally located hangar in eastern Iowa allows us to reach most of the country in a matter of hours. Our team of experienced, certified professionals, in-house and strategic partnerships with reputable partners broadens ASI's capacity and capabilities to better serve our clients.

MISSION / VALUES

At ASI, we strive to be a company that is known for its Excellence, Integrity, and Humility. We are committed to providing our customers with the best possible products and services with **Accuracy, Speed, and Quality (ASQ)**. We believe our mission and core values are essential to our success and to the success of our customers.

- **Excellence** - We aim for excellence in everything we do, striving to consistently exceed expectations and deliver outstanding results.
- **Integrity** - We conduct ourselves with the utmost integrity, always doing what is right, even when it is difficult or inconvenient.
- **Humility** - We approach our work with a spirit of humility, recognizing that we are always learning and growing, and seeking to improve ourselves and our organization in every way possible.

JUST "ASQ" ASI

When it comes to the geospatial industry, there's a lot to know. But **YOU** don't have to be the expert - that's where ASQ Aerial Services comes in. With our years of experience and our commitment to excellence, we're the resource you can count on for all your aerial mapping and surveying needs. Whether you're looking to get a job done quickly and efficiently, or you need detailed information about a specific project, just ASQ. We're always here to help
